

Daryal & Stephanie:

I would like to take this opportunity to thank you for your help in making our Annual Dinner & Dances a huge success.

As always the Raymond event is notorious around this area for the class of the event, and people look forward to it very much.

Finding the right entertainment is key, as there is a wide range of ages at these events, and satisfying everyone is sometimes almost impossible.

I can honestly say you made my job easier, I had great compliments on the choice of entertainment, and for the past 8 years that I have been arranging these parties, that was such a relief. The light show and lasers just added to the fun.

Unfortunately with the news of our closure we will not be able to work together in the coming years, but I would not have hesitated to rebook and I would also like to thank you for assistance in making the party what it was.

I would not hesitate to recommend you for any occasion/event as I am sure they would not be disappointed.

I wish you continued success,

Regards
